Design system · neon green on deep forest, one accent for every on state

Dark · default | Light

COLOUR

Neon Pulse #39FF5A · accent

Aqua Mint #19D3A0 · gradient

Lime Spark #C9F31D · badges

Coral Heart #FF7A93 · favorite

Deep Forest #031109 · base

Night Green #072A1B · mid

Teal Night #0A3D38 · end

Mint Mist #D9F7E3 · light

GRADIENTS AND COVERS

Dark screen

Light screen

Action gradient · text on it is #04200E

Cover fallback: when a file has no art, the song gets one of eight green–aqua tiles, picked from its title.

RULES

One accent. Repeat, shuffle, timer, current song, selected tab and every switch turn the same green. Coral is only for hearts and delete.

Gradient behind every screen. Content sits on glass cards, so the gradient shows and text stays readable.

Artwork leads. Covers carry rows, grids and the player. The tile fallback keeps them consistent.

One primary action. Play all or Play sits in green. Everything else lives in menus and sheets.
